

Milestone Deliverables

1. Proposal Feedback Response – only one per Team

- a. Address the comments and concerns of the reviewers.
- b. It is not necessary to make all changes suggested by the reviewers, but acknowledge that you have read the document and will take those suggestions under advisement.

2. Participant Profile - ALL Team members

- a. Complete the online survey, found at <https://go.nasa.gov/2LnZxGB>

3. Project Timeline – only one per Team

- a. Provide a timeline that includes major milestones of your design, build, and test.
- b. Be sure to include important due dates.
- c. A Gantt chart might be useful for this type of document.

4. Team Introduction Video – only one per Team

- a. This is a chance to showcase who you are and what you are doing. Use your creative side! Include a brief summary of why/what you are doing and individual team members should include Name, Major, Role on team, and a Fun Fact!
- b. Check out a great example in the Miscellaneous Folder.

5. Test Equipment Data Package

- a. Follow the template found in the Template Folder

6. Proof of Concept Video

- a. This video needs to show your tool in action. It should NOT be an animation or illustration.
- b. It should show device operations and have those operations explained.
- c. The video should be less than 2 minutes long.
